

Established in July 2008, Kreuz was listed on the Singapore Exchange Securities Trading Limited, in July 2010. Our vision is to be recognized as a world-class provider of integrated subsea construction, Inspection, Repair & Maintenance (IRM) installation in deep and shallow water to the Oil and Gas Industry by year 2015. Ethics, Integrity, Safety and Quality are basic core values which we as a Company pledge to all our Clients.

Our executive management comprises of a dedicated team of professionals with over 30 years of field and project management experience. Motivation, training and mentoring of our keen, experienced and skilled offshore work force remain a key priority and paramount in our pursuit for excellence. With dynamic and non-dynamic positioned vessels, work-class ROV's, saturation and surface supplied diving systems under our ownership, Kreuz is well placed to offer the Industry with innovative subsea solutions with a competitive edge.
